

## Freddie Mac Issues New 55-day Mirror Securities to Pave Way to Single Security

August 2, 2018

### Effort Expected to Provide More Liquidity and Lower Costs for Borrowers

MCLEAN, Va., Aug. 02, 2018 (GLOBE NEWSWIRE) -- [Freddie Mac](#) (OTCQB: FMCC) today announced that it will begin issuing new 55-day "mirror" mortgage-backed securities for the current population of exchange-eligible 45-day Freddie Mac Gold Participation Certificates (PCs) and Giant PCs to facilitate the implementation of the Single Security Initiative on June 3, 2019.

The company expects the initial issuance of mirror securities to take approximately 8 weeks beginning on August 7, 2018. Mirror security disclosures will be available on August 10, 2018. Freddie Mac expects to issue over 70,000 mirror securities during this 8-week period, corresponding to the population of exchange-eligible PCs and Giants. Freddie Mac will continue to issue mirror securities as new exchange-eligible 45-day securities are produced.

"We believe the early issuance of mirror securities will enable market participants to both analyze their holdings and build in pricing and disclosure in advance of the official exchange offer next May," said Mark Hanson, senior vice president of securitization at Freddie Mac. "This is an important step toward the implementation of the Single Security Initiative in June 2019, paving the way for a combined Freddie Mac and Fannie Mae \$3.5 trillion market of a To-Be-Announced Uniform Mortgage-Backed Security. The Single Security Initiative is intended to strengthen the U.S. mortgage market by providing more liquidity and lowering costs for borrowers."

More information on the mirror security issuance process and other important information on the [Proposed Gold PC and Giant PC Exchange](#) is available online. The 55-day mirror securities will be able to be tracked through the Cumulative 45-day to 55-day Exchange Activity File, which can be found on the new [Exchange Data Files](#) webpage and the Daily New Issue File.

Until Freddie Mac commences the exchange offer in May 2019, all the mirror securities will be held in a Freddie Mac account at the Federal Reserve. At that time, investors will be able to exchange eligible 45-day PCs and Giants for corresponding 55-day mirror mortgage-backed securities on a one-for-one basis. Gold PC and Giant holders are expected to be able to choose between two alternative exchange paths: one facilitated by a dealer using Freddie Mac's Dealer Direct <sup>SM</sup> portal or directly with Freddie Mac.
