Through these and other lenders, Freddie Mac settled a record [\\$56.8 billion](#) in new multifamily volume last year, financing approximately 738,000 rental units of which roughly 90 percent were affordable to low- and moderate-income households. Since its launch in 1993, Freddie Mac Multifamily has provided more than \$449 billion in financing for more than 70,000 multifamily properties.

[Freddie Mac Multifamily](#) is the nation's multifamily housing finance leader. Nearly 90 percent of the rental homes we fund are affordable to families with low to moderate incomes. Our mission is to provide liquidity, stability and affordability to America's rental housing market, especially for underserved renters and communities.

Freddie Mac makes home possible for millions of families and individuals by providing mortgage capital to lenders. Since our creation by Congress in 1970, we've made housing more accessible and affordable for homebuyers and renters in communities nationwide. We are building a better housing finance system for homebuyers, renters, lenders, and taxpayers.
